The Faculty Senate approved the following highlighted addition to University Regulations  
Part 8: Faculty Evaluation section

(IV) Tenured Faculty. Tenured faculty must complete an annual/biennial review at least once every other year, and they may request an annual/biennial review in any year. If the annual/biennial review coincides with a comprehensive review, materials must be organized so that an annual/biennial review can also be completed. Tenured faculty may choose to opt out of Annual Review for the 2020 review period or from Biennial Review for the 2019-2020 review period unless they are also submitting a Comprehensive Review that covers either of these time periods.
