

Fall September 8, 2020	Interim December 1, 2020	Spring January 20, 2021	Summer May 11, 2021
---------------------------	-----------------------------	----------------------------	------------------------

Term for which you are applying:      Fall                      Interim                      Spring                      Summer

The University of Northern Colorado provides employee tuition grants to eligible employees who are 0.50 Full Time Equivalence (FTE) or more as a benefit to assist with ongoing education opportunities. Tuition for employees with an annualized FTE of 0.50 to 0.99 is calculated based on the FTE. The credit hours allowed are based on annualized FTE not to exceed 9 per academic year (Fall, Spring & Summer Semesters). Employees are urged to spread the credits over the three semesters. The UNC Tuition Grant applies only to "resident" tuition. Tuition grants can now be applied to "for-credit" classes that fall under the Extended Studies program, which include online and alternative scheduled classes. Not for credit and study abroad courses are covered under this provision. A new academic year starts each fall.

**Please note:** The tuition grant will not be applied to your account. The grant will be applied to your account.

By signing this application, I agree to all provisions of Board Policy 202, including any reimbursement requirements.
