

UNCs IS and MS Designation Competencies

[International Studies](#)

As part of a Liberal Arts Curriculum, the integrated, global perspective courses designated IS introduce students to variations in a range of human constructions including perspectives, ethics, cultures, disciplines, and application of knowledge, and intellectual traditions. By building an awareness of the interconnectedness of global systems, courses with the IS designation reveal to students the impact of countries, regions, or nonstate actors on global systems individual identities, communities, and the potential for planetary sustainability.
