

## GT Pathways & LAC Learning Outcomes: Human Behavior, Culture, or Social Frameworks

*Note that competencies are general statements of knowledge, skills, and behaviors while outcomes are specific statements about skills students can demonstrate in a measurable way. The content criteria represent the makeup of the course itself (i.e., what the course must include in terms of content).*

*The left column summarizes information about the category and its requirements. This data is for reference purposes and is not included on the syllabus.*

*The right column contains the competencies, outcomes, and content criteria that are required on the syllabus.*
