2014 to present Society for Simulation in Healthcare: Member and certified health simulation educator

Community Service:

2013-2023; Site Coordinator 9Health fair Greeley. I have taken UNC students to the health fairs since 2007. Recruitment efforts have resulted in participation of multiple UNC faculty, support from Sigma International, the UNC School of Nursing, and the Student Nurses Association. Collaborated in a joint venture with another College to create a professional development student phlebotomy course; more than 600 students have participated. Prior to 2007 coordinated several hundred students at Nine Health fairs in Northern Colorado and Southern Wyoming.

at was planned and facilitated by UNC Greeley Global Association. Assisted with advising and overseeing

Teaching: University of Northern Colorado 2007-2018
