
LISA VOLLENDORF, Ph.D.
SPECIAL ADVISOR FOR ACADEMIC CONTINUITY AND OPERATIONAL PLANNING
CALIFORNIA STATE UNIVERSITY OFFICE OF THE CHANCELLOR
Lisa.Vollendorf@gmail.com

EDUCATION

1995

- Academic leadership: Develop academic continuity guidelines in consultation with system and campus partners to improve emergency preparedness and resilience.
 - Strategic communications: Develop and support strategic communications related to academic matters in the CSU.
 - Diversity, equity, and inclusion: Ensure a framework of inclusive excellence is brought to bear in all matters related to crisis leadership across the CSU.
 - Student success: Provide leadership for review and analysis of campus-based policies and practices related to credit awarded for prior learning.
 - Faculty success: Support ongoing systemwide faculty development programs through the CSU Institute for Teaching and Learning.
 - Crisis management and resiliency: Collaborate with subject-matter experts at the system and campus levels to develop innovative approaches to supporting campuses and the academic enterprise in times of crisis and closure.
-
- Academic leadership: Created systemwide Academic Continuity Plan guidelines in collaboration with continuity officers, emergency managers, and academic leaders.
 - Strategic communications: Devised communication and emergency operations structure and protocols for mission continuity with system emergency manager.
 - Diversity, equity, and inclusion: Pursued grant opportunities to expand mental health and support services for at-risk students impacted by wildfires; integrated equity and inclusion framework into emergency response protocols.
 -

- Strategic planning and strategic budgeting: Lead strategic planning and strategic budgeting in collaboration with campus and community stakeholders.
- Shared governance: Work collaboratively in a shared governance environment to support faculty, staff, students, and the university and division strategic plans.
- Student success and enrollment management: Build and sustain strategic enrollment management to meet enrollment, graduation, and retention targets, including elimination of equity gaps for under-represented and Pell-eligible students.
- Faculty and staff success: Support faculty and staff in Academic Affairs with necessary resources for their success while effectively working in a unionized environment.
- Diversity, equity, and social justice: Support ongoing, integrated campus-wide disciplinary diversity, equity, and inclusion efforts, including diversifying faculty and staff and student pipelines for under-represented groups and disciplines.
- Community engagement and strategic partnerships: Lead community and civic engagement efforts that advance academic excellence and student success.
- Fundraising: Develop and operationalize institutional fundraising strategies with donors, philanthropic foundations, and other strategic partners.x
